

# City of Atlanta

## Department of Watershed Management

### Vision, Mission and Values Statements

## Vision

Atlanta will be **THE** leader of the water resources industry -- serving our customers, protecting our watersheds and improving the environment.

## Mission

Ensure professional stewardship of Atlanta's drinking water, wastewater and stormwater systems.

Deliver excellent customer service.

Invest in the development of a motivated, skilled and empowered workforce.

Protect the present and enhance the future of the region's water resources and public health.

Improve the environment while supporting economic development.

## Values

**EFFECTIVE** We are a results-oriented organization that delivers quality service in a professional manner, empowering innovation to add value and continually improving our people, systems and service.

**ETHICAL** We demand the highest integrity as demonstrated through honest and trustworthy behavior by all our employees.

**ACCOUNTABLE** We take responsibility for our actions and operate in an open and transparent manner.

**EQUITABLE** We treat all customer, stakeholders and each other fairly and respectfully.

**SAFE** We are committed to the safety of our employees and to the security of our systems.
